	131 POLICIES, ACTIONS AND BEST PRACTICE	<u>S</u>
TOPIC	GOVERNANCE AND COMMUNITY ENGAGE	GEMENT
1	MUNICIPAL OPERATIONS	LINK
1A	Professional staff are employed or retained, in the areas of budgeting and finance.	
1B	A revenue-expenditure trend analysis is conducted annually.	
1C	Funds for capital-related borrowing are not used for day to day expenses.	
1D	Municipality routinely evaluates ability to ensure that revenue is sufficient to maintain public infrastructure, i.e., road, water, sewer, stormwater (community has an asset management based budget system).	
<b>1</b> E	Obligations for pensions/ other post-employment benefits are funded for the long-term to at least 80%.	
1F	5-10 % of operating funds are carried over year to year.	
1G	Taxation takes a balanced approach applicable to all sectors of municipal services provided and fees satisfy cost recovery.	
1H	Green vehicle fleet assessment has been initiated toward: using greener fuels and/or vehicles, vehicle right-sizing for the job/trip, retrofit or replace older diesel trucks or equipment with cleaner technology, or driver education about driving techniques for fuel economy.	
2	COMMUNITY ENGAGEMENT	
2A	Civic engagement, public participation and transparency are regularly assessed and facilitated.	
2B	A historic review commission is active.	
2C	An environmental advisory commission is active.	
2D	Municipality communicates with the public via a regularly scheduled newsletter or regularly updated web based communications.	
2E	All municipal-sponsored events have a sustainability-awareness component.	
2F	A program exists to actively pursue and match residents and local businesses to volunteer opportunities to better the community and assist the local government.	
3	LOCAL AND REGIONAL COOPERATION	ON
3A	Municipality is an active participant in a Council of Governments.	
3B	The municipality utilizes Intergovernmental Cooperative Agreements (ICA) to engage in multi-municipal endeavors.	
3C	Intergovernmental Cooperative Agreements include conflict resolution provisions.	
4	SUSTAINABILITY	
4A	The municipality is committed to passing a resolution (within six months of enrolling) to affirm participation in the Sustainable Community Essentials Certification Program.	
4B	A municipal sustainability program (in name) has been developed and departmental goal setting and budget processes are used to advance it.	
4C	Sustainability polices, goals and principles have been adopted.	
4D	A sustainability assessment has been conducted to evaluate municipal facilities, operations, plans and regulations relative to conserving resources, saving money and implementing policies and procedures that simultaneously advance the environment, economy, and social equity.	
4E	There is on-going training for municipal employees and officials and the HR function Is closely engaged In advancing objectives of the municipal sustainability program.	
4F	Procedures are In place to measure and track the Impacts of the sustainability program (and yearly reporting to the public on results is conducted).	

4G	An executive/management level municipal staff person has responsibility for management of the municipal sustainability program expressly	
	included in their Job description.	
4H	Professional development for municipal personnel and officials Includes	
	participating (at a minimum, per year) in quarterly local Government Academy, PA DCED or other professional training association programs.	
41	Newly elected officials participate in local Government Academy or other	
41	orientation training for public officials.	
5	PUBLIC SAFETY	
5A	Municipality maintains updated public safety mutual aid agreements with	
371	neighboring municipalities and shares resources.	
5B	Municipality maintains an updated Public Safety comprehensive plan to	
	be sure staffing and financial resources keep pace with municipal needs	
	for Police, Fire, and Emergency Medical Services.	
5C	Municipality participates In a regional service program or contracts	
	services to or through other municipalities for fire, police, or EMS.	
	HEALTHY COMMUNITIES	
6	LOCAL FOOD	
6A	Incentives exist for establishment of farms and gardens within the	
	municipality.	
6B	The municipality supports a program (or cooperates with neighboring	
	communities) to engage residents in strengthening sustainable food	
	systems to link local foods1 farms and people (ex. Buy Fresh Buy Local initiative, Good Food Neighborhood, etc.).	
6C	Education programs are made available for residents on the benefits of	
OC.	organic, locally purchased food; farmers' markets and farm stands are	
	facilitated.	
6D	A community produce garden(s) is available.	
7	HEALTHY PEOPLE	
7A	Programs by local government, or in cooperation with the non-profit and	
//	private sector, exist to address community health concerns, i.e. exercise	
	programs, feeding programs for children and the elderly, crime watches,	
	accessible health care, exercise away from areas of air pollution, etc.	
7B	Outdoor recreation opportunities, amenities, and lifestyles are promoted.	
7C	A program to promote safe walking to school is in place.	
7D	The use of pesticides and herbicides is being monitored and reduced by all	
	municipal departments which use them.	
	DIVRESITY, EQUITY AND INCLUSIO	N
8	HUMAN RESOURCES	
8A	Measures are taken to ensure a wide range of candidates are interviewed	
	for all municipal job openings i.e., the Rooney Rule.	
8B	The municipality has a written municipal policy prohibiting discrimination	
	and valuing diversity and Inclusion.	
8C	The municipality has provided diversity training for municipal employees.	
8D	The municipality annually assesses, and reports to the public, diversity of	
	all boards, employees, volunteers, committees, etc.	
8E	The municipality reports annually to the public on progress in creating a more diverse workforce.	
0		
9	ECONOMY  There is a requising a policy answing Minority Dusiness Enterprise and	
9A	There Is a municipal policy ensuring Minority Business Enterprise and Women Business Enterprise are considered in municipal purchasing, bids	
	and contracts.	
9B	The municipality is engaged in programs to communicate that the	
70	community is welcoming to persons who represent diversity (sister city	
	relations, diversity sensitivity training, multilingual signage, etc.)	
	, , , , , ,	

	EDUCATION	
10	COOPERATION	
10A	Municipal planning is coordinated with the school district and the two meet together at least once per year.	
10B	The municipality and local public schools cooperate to share facilities and	
	other resources. (For example, the municipality assists with the cost of	
	evening lifeguards for community use of a school swimming pool or for provision of crossing guards.)	
11	ENGAGEMENT	<u>I</u>
11A	Municipality works with schools and local nonprofits/community	
IIA	organizations to engage students about community issues such as waste	
	reduction and recycling, public safety, wellness, conservation, nature, etc.	
	ENERGY USE, CONSERVATION AND GREEN	BUILDING
12	MUNICIPAL ENERGY USE	-
12A	The municipality has recently completed an energy audit of all municipal	
12/	buildings and operations. The audit Includes findings and	
	recommendations and establishes a baseline of energy usage.	
12B	The municipality has established goals from the energy audit findings and	
	is methodically implementing the energy audit findings.	
12C	Municipal energy use has declined overall at least 15% from the baseline	
420	year established In the energy audit.	
12D	Municipality is reporting yearly to the public on progress and results made in implementing recommendations/findings contained in the municipal	
	energy study.	
12E	Municipality has or is in the process of retrofitting street lights and traffic	
	signals to LED bulbs.	
12F	As part of the energy audit, a greenhouse gas inventory and mitigation	
	plan has been established for municipal functions.	
12G	Positive progress on the greenhouse gas inventory and mitigation plan is reported annually to the public.	
12H	Energy performance of key municipal buildings is tracked using ENERGY	
	STAR Portfolio Manager and Is reported yearly to the public.	
13	COMMUNITY ENERGY USE	
13A	The municipal comprehensive plan contains an energy conservation element.	
13B	Municipal support is provided to a public program (throughout the	
	community and for businesses) to conserve energy, promote renewable	
	energy sources, and mitigate carbon emissions.	
13C	The greenhouse gas inventory has been expanded to include the entire	
	community (not just the municipality) and a mitigation plan has been developed.	
14	GREEN BUILDINGS	I
14A	There is a written green building policy/standard for new	
14A	construction/major renovations of municipal buildings such as the	
	International Green Construction Code (IgCC).	
14B	New construction and major renovations at municipal facilities	
	incorporate (sufficient to achieve) LEED (Leadership in Energy and	
	Environmental Design) Silver principles.	
14C	Municipal building operations could meet LEED O&M Silver principles or	
4.5-	better.	
14D	The municipality has reviewed ordinances, resolutions, and other policies	
	to remove impediments to the use of alternative energy (wind, solar, geothermal) installations or green buildings.	
14E	LEED certification is required for development projects receiving a public	
14E	incentive (TIF, abatement, etc.).	
	· · · · · · · · · · · · · · · · · · ·	1

15	RENEWABLE ENERGY	
15A	A Municipality purchases energy for municipal facilities from renewable	
137	energy sources (or has installed renewable energy sources) such that at	
	least 10% of all municipal energy comes from renewable sources.	
15B	Municipality purchases energy for municipal facilities from renewable	
	energy sources (or installed renewable energy sources) such that at least	
	40% of all municipal energy comes from renewable sources.	
	ENVIRONMENTAL STEWARDSHIF	
16	WATER USE, CONSERVATION AND QU	ALITY
16A	A The municipality utilizes an Integrated Municipal Stormwater and	
	Wastewater Planning Approach (as described by EPA) to identify the	
	municipality's priorities for projects and includes a description of how the	
	proposed priorities reflect the relative importance of adverse impacts on	
	human health and water quality and the municipality's financial capability.	
	See: http://cfpub.epa.gov/npdes/Integratedplans.cfm	
16B	The municipality actively encourages water conservation and efficiency	
465	measures In the community and among businesses.	
16C	Low impact development and onsite stormwater infiltration is	
165	encouraged.  Water provider(s) prioritize improving convice to existing developed areas.	
16D	Water provider(s) prioritize improving service to existing developed areas as opposed to opening up new areas to development.	
16E	Drinking water and sanitary sewer rates are based on the real cost of	
100	providing service.	
16F	Sufficient investments are being made to the water, sewer, and	
101	stormwater systems per real costs and keeping pace with maintenance	
	and operations.	
16G	Cooperation is occurring with neighboring municipalities to manage water	
	and sewer supply, treatment and distribution, sewage and stormwater, in	
	the most cost-efficient way.	
17	AIR QUALITY	
17A	PA State anti-idling law is enforced and compliance Is promoted.	
17B	Municipality supports public education regarding reducing air pollution and emissions.	
17C	A clean construction emissions policy for all publicly subsidized projects	
	has been adopted and Is enforced.	
17D	A burn ban has been formally adopted and made part of municipal	
	ordinance, and State or County outdoor wood fired boiler construction	
	and operation Is in accordance with state law.	
17E	The municipality and its municipal waste hauler service are exploring ways	
10	to reduce emissions from vehicles and trucks beyond anti-idling.	
18	GREEN INFRASTRUCTURE	I
18A	Policies, plans and ordinances protect wetlands and waterways and their buffers.	
10D	Written policies exist and ordinances and incentives have been enacted to	
18B	conserve environmentally and ecologically sensitive places (for example,	
	slopes over 25%, slide prone soils and geology, springs and vernal pools,	
	mature woodlands, Natural Heritage Areas, etc.) in order to protect public	
	safety and natural resources while using green infrastructure for	
	stormwater management.	
18C	Low impact and green development projects, as well as techniques	
100	(pervious pavement, bioswales, cisterns, woodland and steep slope	
	protection) are fostered through incentives, ordinances and design	
	guidelines.	
18D	Tree and woodlands protection and management policies are in place (for	
	example, community forestry plan and canopy goal; tree planting	
	programs; tree maintenance programs; tree hazard and health	

	assessment projects; computerized assessment of municipal trees,	
405	tree/woodland replacement criteria in ordinances, etc.).  A natural resource Inventory has been developed for the community	
18E	within the last 7 years as part of the comprehensive plan.	
18F	Sustainable landscape maintenance practices are in place for parks and municipal grounds.	
	HOUSING	
19	AFFORDABILITY	
19A	The zoning ordinance provides for or accommodates a full range of	
	housing opportunities throughout the community.	
19B	The comprehensive plan addresses the community benefits of and need	
400	for expanding housing choice.	
19C	The zoning ordinance has inclusionary housing provisions/incentives	
19D	A program exists (perhaps in partnership with an outside agency) to facilitate home ownership: homebuyer incentives, employer-assisted housing, community land trust, etc.	
19E	The community Is tracking and reporting annually to the public on results toward affordable housing for residents.	
20	SUSTAINABLE NEIGHBORHOODS	<u> </u>
20A	A current inventory of vacant and blighted/blighting properties is maintained and mapped.	
20B	A program is being implemented to put blighted, abandoned properties back Into productive use: smart rehab code, conservatorship, demolition, acquisition, green lot strategies, etc.	
<b>20C</b>	The municipality has elected to administer and enforce PA's statewide Uniform Construction Code (UCC).	
20D	The municipality has adopted the International Property Maintenance Code within the last 6 years per good, safe rental housing.	
<b>20E</b>	Staffing is in place sufficient to enforce building and maintenance codes.	
20F	The municipality utilizes a system for collection of delinquent taxes and fees in order to mitigate blight and abandonment.	
	LAND USE AND TRANSPORTATION	N
21	MOBILITY	
21A	Trails for walking and bicycling are being developed or maintained.	
21B	Alternate transportation (e.g. transit, inter-modal, multi-modal, bicycle/pedestrian) are accommodated and promoted.	
<b>21C</b>	Public transportation and ride sharing are promoted and facilitated, as is transit-oriented development (where applicable).	
21D	Bicycle lanes or shared roadways are being developed and a "Share the Road" education campaign Is being advanced.	
21E	Police are trained on the rights and responsibilities of bicyclists and state law on passing bicycles.	
21F	Traffic calming techniques, "complete streets" projects, access management and congestion management programs have been evaluated and are being implemented.	
22	COMMUNITY	
22A	Professional staff are employed or retained to manage the land use program.	
22B	Comprehensive land use/development plan is current, addresses impacts to neighboring communities, and incorporates sustainability principles.	
22C	A multi-municipal comprehensive plan has been adopted as has an official map.	
22D	Up-to-date ordinances for zoning and subdivision/land development are in place to implement the comprehensive plan.	

the comprehensive plan and ordinances promote pedestrian-oriented, dense, walkable, mixed-use development (in existing and proposed development), and redevelopment in the core or town center.  A Transfer Development Rights (TOR) program is in place to incentivize development where infrastructure currently exists and to protect important green space.  Developers are required to submit a comprehensive and detailed fiscal impact analysis including long-term fiscal impacts such as road repair, school infrastructure needs and other public services with their development applications.  Here is a diversity of the comprehensive and detailed fiscal impact analysis including long-term fiscal impacts such as road repair, school infrastructure needs and other public services with their development applications.  B GREEN SPACE  The Comprehensive Plan identifies environmentally sensitive, ecologically significant, and civic/historic places.  The Comprehensive Plan and ordinances protect farmland and/or promotes community gardens and infili green space.  The Comprehensive Plan includes a parks/recreation and open space component with proposed passive or active greenways, parks and trails and the zoning and subdivision ordinances support the vision.  The greenspace/open space plan has benchmarks and results are reported annually to the public.  The municipality has a PA Dept of Agricutture Agricuttural Security Area (ASA).  LOCAL ECONOMY  THRUNG LOCAL ECONOMY  THRUNG LOCAL GREEN BUILDINGS  The municipality has assessed Main Street program options and opportunities for possible applicability and implementation.  The provide attractive sidewalks, trees, and street furniture and make the area safe for pedestrians and bicyclists.  The municipality maintains and supports an initiative to encourage residents to buy local.  A program is in place to encourage businesses to be aware of innovate sustainable business approaches and to recognize achievement.
