November 16, 2021

Cathy Neff, Gay Bowman, Jim Brown, Karen Bream, Curt Bream, Barb Boise, Lois Stoner. Jean Smith absent. Doug Shields and Annan Hollinger attended.

Meeting called to Order. No minutes for October meeting which was final rundown of Halloween Parade which was the following day.

Public Comment from Doug Shields. Yellow Breeches EMS would like to partner with Park and Rec during one of the summer months, having a wine and beer fest at Trine Park. It would be beer and wine tasting in a gated area with food trucks, music and games of chance. Doug will be coming back to meeting with more details and will talk to Chief Day to make sure all codes and zoning is legitimate.

Old Business

Halloween Parade a success. Cards read from Rebecca Yearick and Ed, Nelsons Barber shop. Ed gave his prize money back to use next year. Rachel Bear sent a letter with a list of ten things to consider changes for registration and judging. Lois sent the list to Suzanne White and gave copies to Karen Bream, who works registration and other committee members.

Linda Naugle will be taking care of Santa House this year.

New Business

Christmas Decorating Contest. Lois made a sample of a plan, which would be a little less complicated than last year and hopefully easier for judging. The committee, after good discussion and Annan Hollinger's suggestion that businesses be included, decided with a vote, to have 3 prizes for residences and 3 for businesses. Posters will be made with a registration form included. Entries will be sent to Borough Office by December 15th. Judging will be between 6 and 8pm on Friday, December 17th. Cash prizes, \$100, \$75, \$50 will be sent. Judges will go together to decide from all entries. Doug Shields, Annan Hollinger and Alecia Hoffman will be judges.
